

The Important Value of Travel Insurance

As our clients well know, we here at **Experience Plus!** are devoted to providing you with one of the most unique, finest quality travel experiences in the world, and when it comes to protecting you and your travel investment we do not want to make any compromises.

Why It's Important. Travel does involve certain inherent risks. There could be unexpected medical expenses or even a costly emergency medical evacuation. Who can you call if such specialized assistance is needed while you travel? In addition, your prepaid travel arrangements can be up to **100% Non-Refundable** if you must cancel or interrupt the tour for a reason beyond your control.

A Specially Designed Program. To protect against these type risks, **Experience Plus!** has negotiated with the highly-rated **Arch Insurance Company** to create a comprehensive travel insurance package called the **Premier Plan**. It includes all the *must have* coverage for Trip Cancellation/Interruption, Medical Expense, Emergency Evacuation/ Assistance, Baggage Loss/Delay and Trip Delays. We also negotiated preferred premium rates for all **Experience Plus!** travelers...far less than what most travelers can purchase elsewhere.

Easy Web Link. Additionally, **Arch** provides us with a unique web link for our travelers to easily purchase on line. Simply go to:

<http://ExperiencePlusBicycleTours.ArchInsuranceSolutions.com>

Or maybe you prefer to call and purchase over the phone. **Arch** Customer Service is available 8AM to 9PM ET (Mon-Fri) at **1-877-722-1959** for phone enrollment at no additional fee.

Urgent: Do not Delay. *The Pre-Existing Exclusion is waived if you purchase coverage at time of tour first payment/deposit (or within at least 21 days of the first trip payment). There is also Cancel For Any Reason coverage available with early purchase for a nominal additional fee.*

Please review the attached "Summary of Coverage" for this **Premier Plan** for more coverage details.

We at **Experience Plus!** realize the important value Travel Insurance provides our travelers and strongly urge all our passengers be protected with this comprehensive program.
