

Bicycle Tours in Germany: **Bicycling Secret Bavaria**

OVERVIEW

We'll bicycle along Germany's famous Romantic Road which stretches from central Germany to the Austrian Alps. This route provides a link back in time, extending from the Roman occupation of Transalpine Gaul into the medieval & Renaissance periods. Today some of the best-preserved towns and villages from the 15th through the 18th century are strung out like pearls throughout Bavaria. You'll bicycle through the fairy tale landscape of the brothers Grimm and gain a better understanding of this historic part of central Europe.

If this sounds great, but you prefer a longer tour, join us on our 11-day [Bicycling Secret Bavaria Plus! the Austrian Alps](#) tour.

Some small sections of dirt paths but easily rideable on any style of bike. We use charming and modern hotels but A/C or fans may not always be available since they haven't been needed traditionally. Separated twin beds are rare in many places; instead there will be two mattresses together that sit on the same base.

Arrive in Würzburg

Highlights Bicycle fitting, Test ride, Würzburg baroque architecture

We gather today in Würzburg, a historic medieval center (dating back as early as the 7th century) that sits on the banks of the Main River. Come a day early to explore the exquisite Baroque palace, churches and gardens dating to the 18th century. After fitting bikes this afternoon we'll gather for introductions and dinner together.

DAY 1

Meals Dinner

Lodging  Hotel Walfisch

Bicycle from Würzburg to Bad Mergentheim

Highlights Hill rides and castles

Our ride today takes us through the hills of central Germany to the medieval town of Mergentheim. In the early 20th century the name was changed to Bad Mergentheim in honor of the discovery, a century before, of natural mineral springs in the area. Today the village is dominated by the castle complex on the edge of the historic town. Take time this afternoon to explore this wonderfully preserved medieval town. Our hotel tonight has one of the best restaurants in the city so be sure to save your appetite for dinner.

DAY 2

Distance 58 km (36 mi)

Gain 499 m (1637 ft)

Terrain Rolling hills

Level 

Meals Breakfast, Dinner

Lodging  Hotel Bundschu

Ride from Bad Mergentheim to Rothenburg ob der Tauber

Highlights Rothenburg, wine tasting

Today we continue through the rolling hills of central Germany to the medieval village of Rothenburg. Perched high above the meanders of the Tauber River, Rothenburg looks perfectly preserved but the town center surrounded by its 14th and 15th century walls was rebuilt after WWII. This afternoon we will visit a special cellar with a beautiful collection of rare varietals. After which we'll continue our wine education and meet one of the last vintners in Rothenburg, who just so happens to own our hotel.

DAY 3

Lodging  Hotel Glocke

Bicycle Tours in Germany: **Bicycling Secret Bavaria**

Rest Day or Optional loop ride

Highlights Rothenburg's market and architecture

Take your time to enjoy this fabulous medieval city and the views it offers of the Tauber valley. For those who want some cycling we have a relaxing ride towards Bad Windsheim, another opportunity to explore Bavaria's picturesque countryside. We'll suggest a fascinating open-air museum which will transport you to the last 700 years of Franconian life. After the ride, there is still plenty of time to enjoy the market center and the streets lined with Gothic and half-timber houses, and take a tour on the walls of the city, or explore them on your own.

DAY 4

Distance 68 km (43 mi)

Gain 733 m (2404 ft)

Terrain Rolling hills

Level 

Meals Breakfast

Lodging  [Hotel Glocke](#)

Pedal from Rothenburg to Dinkelsbühl

Highlights Medieval towns of Feuchtwangen and Dinkelsbühl

We ride over undulating farmlands from one fairy tale village to another today. In contrast to Rothenburg on the Tauber, Dinkelsbühl is indeed nearly perfectly preserved from the middle ages. As early as the 11th century, the town was a major center at the intersection of two medieval trade routes. Tonight is another opportunity to enjoy the rewards of a good handcrafted German kitchen at our top rated hotel restaurant.

DAY 5

Distance 45 km (28 mi)

Gain 433 m (1420 ft)

Terrain Rolling hills

Level 

Meals Breakfast, Dinner

Lodging  [Hotel Deutsches Haus](#)

Bicycle from Dinkelsbühl to Donauwörth

Highlights Ries Basin meteor impact crater, medieval town of Donauwörth, Danube River

The landscape changes today as we pedal across the 12-17 mile wide, nearly circular Ries Basin. Unlike most of the areas we bike, which are a mixture of forests and farmlands, the geology of this area doesn't allow rich forest lands. We are back in the "typical" landscape of Bavaria as we approach historic Donauwörth on the banks of the Danube, western Europe's longest river.

Ride from Donauwörth to Augsburg

Highlights Lech River, the Cassian Way, Augsburg, brewery visit

Our ride today takes us up the Lech River valley to Augsburg, which was founded by the Roman emperor Augustus in 15 BC. As you might expect, there is plenty to see here this afternoon. We will visit the award-winning Riegele Brauerei brewery and taste some of their modern beers before a traditional Bavarian dinner.

BICYCLES

For a full list of what's included with your bike see our bikes page (<https://www.experienceplus.com/what-to-expect/our-bikes/>) . If you would like to bring your own pedals and shoes we recommend doing so. On Explorer tours we include a GPS device on all bikes. We ask that you bring your own helmet to ensure the best fit. Please ask if you would like us to provide you with a gently used helmet and we will do so.

NAVIGATING, DAYSHEETS AND VAN SUPPORT:

Each day you'll receive a daily briefing with a highlighted route map. About 14 days prior to your tour, we will provide you with access to RideWithGPS Experiences, our platform

to distribute information on each tour day's activities, meals and ride, as well as GPS-routes.

Daily information also includes Tour Leader phone numbers, hotel information and interesting historical and cultural information. On Classic, Bike and Boat, Spotlight and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we'll ride as a group or you can navigate on your own with the GPS tracks. On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

Need More Miles? On many days it is possible to add miles to the day, just talk to your tour leader about your options.

Need Fewer Miles? If you aren't sure about your abilities or how much you want to ride remember the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. You are on vacation and we're here to help make it perfect for you.

TIPPING YOUR TOUR LEADER TEAM:

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated, and gratuity amounts vary widely. Should you decide to leave a tip, as a guideline, we suggest 5% of the tour cost per traveler – this is for the entire tour leader team, not each tour leader. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know. *Tips are included in Expedition pricing.

PHOTOS:

By reserving space on tour, you agree that ExperiencePlus! may use, re-use and reproduce any images, photos or videos sent to us, or taken by our guides or travelers free of charge and without your right to inspection. If you do not want us to use any images of you on tour, you must inform your tour leader in writing at the start of the tour.

**LEVELS**

We know that travelers have different cycling abilities and preferences for the number of miles, elevation gain, and type of terrain they want on a bicycle tour. We have rated each day of our tours on a scale of 1-5. Our Tour Level's are an average of the day rating on tour. We recommend looking at the daily summary on the PDF and Website Itinerary to see details about each day's ride.

LEVEL 1 - 1.5

Level 1 - 1.5 days will be mostly flat and the distance will rarely exceed 50 km. Level 1 - 1.5 tours are suitable for beginner cyclists, those traveling by bicycle for the first time, or multi-generational groups with a desire for a nice and easy bike tour with plenty of opportunities to stop and enjoy the scenery.

- **Average daily mileage:** 20 - 50 km. (12-30 miles) Be sure to check the day by day itinerary description for the tour you are considering for specific mileages.
- **Gain:** 0-400 M (0-1200 ft)
- **Terrain:** Mostly flat with occasional gentle climbs at a grade of less than 3%, that are sustained for a maximum of 3km. There might be a steeper but short climb.

LEVEL 2 - 2.5

Level 2 - 2.5 days are ideal for riders newer to bicycle touring looking for a bit of a challenge.

- **Average daily mileage:** 30-60 km (18 - 38 miles). Be sure to check the day by day itinerary description for the tour you are considering for specific mileages.
- **Gain:** 400 - 600 m (1200 - 2000 ft)
