Bicycle Tours in Slovakia: Cycling Krakow to Slovakia

Tour begins in Krakow

Highlights Medieval Krakow, Krakow market square, Royal Wawel Castle, Vistula River

Krakow is one of Europe's most beautiful cities and has been on UNESCO's list of World Heritage sites since 1978. It was spared from devastation during World War II and retains a multitude of architectural and urban planning examples from the 12th century. The city is dominated by the Royal Wawel Castle sitting on a rise above the Vistula River. Below the castle lies the Medieval city, home to one of the largest market squares in Europe. You'll want to spend at least one extra day, if not two, in Krakow before our tour begins. We fit bicycles this afternoon and will enjoy an inaugural dinner together this evening.

Krakow Loop

Highlights Wieliczka, Salt Mines

An invigorating loop out of Krakow takes us to the historic town of Wieliczka this morning. Wieliczka is famous for its salt mine, which operated continuously from the 13th century until 2007. Almost 300 kilometers of passageways spread under the town, and the mine boasts an underground lake, and four chapels carved from the salt by the miners. We'll return to Krakow this afternoon to see more of this stunning city.

Bicycle from Krakow to Mszana Dolna

Highlights Open air skansen (museum village) in Dobczyce

We bicycle southeast out of Krakow passing through Dobczyce. This town shares a reservoir of the same name that boasts the remains of a 13th century castle and an open air village of 18th and 19th century traditional architecture. Stop for coffee and lunch supplies before continuing on to Mszana Dolna where we spend the night.

Mszana Dolna to Cervený Kláštor

Highlights Rolling hills, Pieniny National Park Poland & Slovakia

Today's ride takes us to the border between Poland and Slovakia and into the heart of the Pieniny National Park. The Pieniny Mountains are one of many small mountain ranges that make up the larger Carpathian Mountain chain and we will pass right through them as we enter Slovakia on a bike and pedestrian-only path along a scenic gorge. This is a rare opportunity and one of the only no-car border crossings we encounter. Our hotel tonight sits along the banks of the Dunajec River.

Highlights Levoca

Today's ride heads to the heart of the Spis region, a territory rich in northern Slovakian history. Once known for its wealthy traders, craftsmen, and miners, it's no wonder that two of Slovakia's five UNESCO World Heritage sites are located here. We'll continue pedaling through valleys of narrow fields, where grass is still hand-cut by scythes and carried in horse-drawn wagons. We'll have two nights in the ancient town of Levoca, once an important town for commerce. Today, Levoca is probably best known as the home of the medieval sculptor Master Paul of Levoca. Be on your best behavior today so as to not end up in the 17th century "Cage of Shame" in front of the town hall.

Enjoy its historic and stunning square and an amazing view of the town from the highest church tower in Slovakia (87 m). - Superb tour leaders who are fun and multilingual, bi-cultural experts, and cycling enthusiasts. They will support you and help you navigate confidently on and off the road.
- High quality bikes selected for the terrain you are cycling on and correct bike fitting to ensure comfortable cycling. More details on our bikes page: <https://www.experienceplus.com/what-to-expect/our-bikes/>
- Thoughtfully designed itineraries and routes that take advantage of stunning cycling destinations and the freedom of bicycle travel.

PRE-TRIP SUPPORT

- Bicycle training programs designed specifically for your tour and fitness level.
- Planning tips on what to pack, hotel recommendations and other helpful details from our Travel Planning Pages: <https://www.experienceplus.com/blog/travel-planning/>
- A gift of your choice (cycling jerseys, socks, or a t-shirt) as our way of saying thanks for choosing ExperiencePlus!
- *Traveler services including assistance booking extra nights at the tour starting and ending hotels. (*Not included on Explorer Tours.)

ON TOUR

- See "What's Included" on your tour Itinerary for tour-specific inclusions.

BICYCLES

For a full list of what's included with your bike see our bikes page (<https://www.experienceplus.com/what-to-expect/our-bikes/>) . If you would like to bring your own pedals and shoes we recommend doing so. On Explorer tours we include a GPS device on all bikes. We ask that you bring your own helmet to ensure the best fit. Please ask if you would like us to provide you with a gently used helmet and we will do so.

NAVIGATING, DAYSHEETS AND VAN SUPPORT:

Each day you'll receive a daily briefing with a highlighted route map. About 14 days prior to your tour, we will provide you with access to RideWithGPS Experiences, our platform

to distribute information on each tour day's activities, meals and ride, as well as GPS-routes.

Daily information also includes Tour Leader phone numbers, hotel information and interesting historical and cultural information. On Classic, Bike and Boat, Spotlight and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we'll ride as a group or you can navigate on your own with the GPS tracks. On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

Need More Miles? On many days it is possible to add miles to the day, just talk to your tour leader about your options.

Need Fewer Miles? If you aren't sure about your abilities or how much you want to ride remember the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. You are on vacation and we're here to help make it perfect for you.

TIPPING YOUR TOUR LEADER TEAM:

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated, and gratuity amounts vary widely. Should you decide to leave a tip, as a guideline, we suggest 5% of the tour cost per traveler – this is for the entire tour leader team, not each tour leader. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know. *Tips are included in Expedition pricing.

PHOTOS:

By reserving space on tour, you agree that ExperiencePlus! may use, re-use and reproduce any images, photos or videos sent to us, or taken by our guides or travelers free of charge and without your right to inspection. If you do not want us to use any images of you on tour, you must inform your tour leader in writing at the start of the tour.

**LEVELS**

We know that travelers have different cycling abilities and preferences for the number of miles, elevation gain, and type of terrain they want on a bicycle tour. We have rated each day of our tours on a scale of 1-5. Our Tour Level's are an average of the day rating on tour. We recommend looking at the daily summary on the PDF and Website Itinerary to see details about each day's ride.

LEVEL 1 - 1.5

Level 1 - 1.5 days will be mostly flat and the distance will rarely exceed 50 km. Level 1 - 1.5 tours are suitable for beginner cyclists, those traveling by bicycle for the first time, or multi-generational groups with a desire for a nice and easy bike tour with plenty of opportunities to stop and enjoy the scenery.

- **Average daily mileage:** 20 - 50 km. (12-30 miles) Be sure to check the day by day itinerary description for the tour you are considering for specific mileages.
- **Gain:** 0-400 M (0-1200 ft)
- **Terrain:** Mostly flat with occasional gentle climbs at a grade of less than 3%, that are sustained for a maximum of 3km. There might be a steeper but short climb.

LEVEL 2 - 2.5

Level 2 - 2.5 days are ideal for riders newer to bicycle touring looking for a bit of a challenge.

- **Average daily mileage:** 30-60 km (18 - 38 miles). Be sure to check the day by day itinerary description for the tour you are considering for specific mileages.
- **Gain:** 400 - 600 m (1200 - 2000 ft)

LEVEL 5 (EXPEDITION)

Our Expedition tours designed for strong riders looking for the challenge of riding across countries or continents. Long daily mileages mean limited van support so we recommend these tours for riders who feel confident that they can ride every mile.
