

## Bicycle Tours in France: Cycling Corsica Plus! Beaches and Bonifacio

### OVERVIEW

From the sea, Corsica appears as a large piece of Alpine Europe floating on a cobalt blue sea. Corsica is geologically more closely related to the Alps than it is to its larger neighbor to the south, the Italian island of Sardinia. But culturally and linguistically this birthplace of Napoleon is all Mediterranean. Palm-lined streets bustle with colorful marketplaces and the island's official language, French, mingles with a variety of exotic dialects brought here from northern Africa, Italy, and the rest of the Mediterranean basin. An island of beauty, Corsica is also an island of delightful surprises for the touring cyclist.

If this sounds like a great ride but you'd prefer an 8-day tour check out [Cycling Corsica](#)

### OR

Italy's [Sardinia](#) island is a short ferry ride away so do both tours and save \$400.

### HIGHLIGHTS

Mountain scenery, Extraordinary coastal scenery, French and Mediterranean food, Picturesque villages, Beautiful Pisan and Genoese churches, Fabulous beaches, Impressive watchtowers along the coast, Wine Tasting.

**Bicycle Tours in France: Cycling Corsica Plus! Beaches and Bonifacio****Arrive Bastia, Corsica**

**Highlights** Historic capital of Corsica, sidewalk café, gourmet introductory dinner

Bright blue and white fishing boats and sidewalk cafés await you today as our tour begins near Bastia, Corsica's historic capital and its most picturesque city. We recommend arriving a day early to soak in the charms of this centuries-old Mediterranean seaport. We'll fit you with a bicycle this afternoon so you can ride to a viewpoint above the city, and then reconvene this evening for a traditional French gourmet dinner together.

**DAY 1**

**Meals** Dinner

**Lodging**  L'Alivi

**Bicycle to Rogliano**

**Highlights** Scenic cycling in Corsica's panhandle, Genoese history and settlements

After breakfast you'll head north on an easy ride along the east side of Cap Corse, Corsica's panhandle. You'll want to stop for a snack or coffee in Erbalunga to see its Genoese coastal tower before cycling through the tiny port of Santa Severa. Stop for lunch and perhaps a swim in Macinaggio before heading inland to our hotel.

Today's ride is one of the most spectacular bicycle rides in the Mediterranean basin. We suggest an early start as you'll want to stop often for photographs. You can even take a swim during your lunch stop. Our route follows a chain of Genoese watchtowers, built along the coast in the late Medieval period to provide the local villagers early warning of impending attack by pirates. We'll continue south along the west side of the Cap Corse to our hotel right on the water, located in the ancient Roman town of Saint-Florent.

A stop to our first 11th-century Pisan cathedral begins our day. Pisa ruled Corsica unchallenged until 1133 A.D. when the pope divided the island between Pisa and rival Genoa. Our optional ride continues on to the most famous Pisan cathedral in Corsica as we wind our way through hilltop villages and river gorges.

After soaking up the views you'll coast down to the beach for a refreshing swim if you wish. Our efforts today will be rewarded as we explore the coastal town of L'Ile Rousse with its charming center and beach. And if that's not enough, we'll watch the sunset into the sea.

The trend today is down though there are a few hills that will certainly get your attention before you reach the coast. Our hotel is on the beach, and you may very well want to spend the day soaking in the sun there. Go for a swim in the clear blue waters of the bay, unwind by the hotel's swimming pool, or sign up for some pampering at the hotel's wellness center. Pinarello beach is one of the many beautiful beaches to the north of Porto-Vecchio. The sea is azure blue, and the 1.2 km long, narrow sweeping beach has soft white sand, is backed by dramatic mountains and overlooked by a Genoese watchtower. Pinarello has a pretty little port and plenty of opportunities for refreshments and water sports. For those of you who want more cycling, we'll offer an incredible roller-coaster ride on the famous Route de Bavella.

**INCLUDED**

**WHAT'S INCLUDED**

When you book a tour with ExperiencePlus! our goal is to ensure your only focus each day is to hop on your bike and explore scenic cycling routes in new destinations. Inclusions may differ depending on which tour style you pick but all ExperiencePlus! tours include what we believe are the most important aspects of a bike tour.

- On all our guided tours, you can expect superb tour leaders who are fun and multilingual, bi-cultural experts, and cycling enthusiasts. They will support you and help you navigate confidently on and off the road.
- High quality bikes selected for the terrain you are cycling on and correct bike fitting to ensure comfortable cycling.
- Thoughtfully designed itineraries and routes that take advantage of stunning cycling destinations and the freedom of bicycle travel. Plus, all the logistics are taken care of.

**PRE-TRIP SUPPORT**

- Bicycle training programs designed specifically for your tour and fitness level.
- Planning tips on what to pack, hotel recommendations and other helpful details from our Travel Planning Pages: <https://www.experienceplus.com/travel-planning/>
- A gift of your choice (cycling jerseys, socks, or a t-shirt) as our way of saying thanks for choosing EP!
- \*Traveler services including assistance booking extra nights at the tour starting and ending hotels. (\*Explorer and Self-guided tour styles excluded)
- See "What's Included" for tour-specific inclusions and be sure to check the "Keep in mind" section under "Tour Summary" online.

**BICYCLES**

For a full list of what's included with your bike see: <https://www.experienceplus.com/what-to-expect/our-bikes/>. If you would like to bring your own pedals and shoes we recommend doing so. On Explorer and Self-guided tours we include a GPS device on all bikes.

**NAVIGATING, DAYSHEETS AND VAN SUPPORT:**

On a guided tour, each day you'll receive a daily briefing with a highlighted route map. On a self-guided tour you'll receive a comprehensive orientation and bike fit on the first or second morning of your trip. About 14 days prior to your tour, we will provide you with access to

RideWithGPS Experiences, our platform to distribute information on each tour day's activities, meals and ride, as well as GPS-routes.

Daily information on the RWGPS Experience includes important phone numbers, hotel information and interesting historical and cultural information. On Classic, Bike and Boat and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we'll ride as a group or you can navigate on your own with the GPS tracks.

On a guided tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths. On a self-guided tour you will have luggage transfers that will transport your bags from one hotel to the other.

**Need More Miles?** On many days it is possible to add miles to the day, just talk to your tour leader about your options or ask when you are planning your self-guided trip.

**Need Fewer Miles?** On a guided tour, the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. On a self-guided tour we recommend you review the tour level to make sure you can ride the full distance.

**ON A GUIDED TOUR: TIPPING YOUR TOUR LEADERS**

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated, and gratuity amounts vary widely. Should you decide to leave a tip, as a guideline, we suggest 5-8% of the tour cost per traveler — this is for the entire tour leader team, not each tour leader. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know.

\*Tips are included in Expedition pricing and not expected on self-guided tours.

**PHOTOS:**

By reserving space on tour, you agree that ExperiencePlus! may use, re-use and reproduce any images, photos or videos sent to us, or that are taken by our guides or other travelers, in any medium, including but not limited to print, electronic media, or Internet, free of charge and without your right to inspection. If you do not want us to use any images of you, you must inform us or your tour leader in writing at the start of the tour.

**LEVELS**

We know that travelers have different cycling abilities and preferences for the number of miles, elevation gain, and type of terrain they want on a bicycle tour. We have rated each day of our tours on a scale of 1-5. Our Tour Level's are an average of the day rating on tour. We recommend looking at the daily summary on the PDF and Website Itinerary to see details about each day's ride.

**LEVEL 1 - 1.5**

Level 1 - 1.5 days will be mostly flat and the distance will rarely exceed 50 km. Level 1 - 1.5 tours are suitable for beginner cyclists, those traveling by bicycle for the first time, or multi-generational groups with a desire for a nice and easy bike tour with plenty of opportunities to stop and enjoy the scenery.

- **Average daily mileage:** 20 - 50 km. (12-30 miles) Be sure to check the day by day itinerary description for the tour you are considering for specific mileages.
- **Gain:** 0-400 M (0-1200 ft)
- **Terrain:** Mostly flat with occasional gentle climbs at a grade of less than 3%, that are sustained for a maximum of 3km. There might be a steeper but short climb.
