### Welcome to Reims

**Highlights** Champagne, Notre Dame de Reims

Reims is not only the capital of the Champagne region, but also home to the cathedral where the Kings of France were crowned since 987 A.D. Come early to explore the incredible cathedral and taste champagne from the many Maisons de Champagne. We'll meet this afternoon for a bike fitting and a quick spin along Reims' scenic canal. This evening join us to toast the start of our trip together with champagne of course!

### Loop ride from Reims

**Highlights** Bike paths; champagne tasting

We leave Reims on a bike path this morning pedaling over rolling hills and through vineyards overlooking forests. The Montagne de Reims, where many of the Pinot Noir grapes are grown, is also home to an extensive national park. This evening we'll be back in Reims where we'll visit a famous champagne producer and enjoy a tasting.

### Reims to Châlons-en-Champagne

**Highlights** Dom Perignon's stomping grounds, Châlons-en-Champagne

This morning we'll bicycle to the legendary birthplace of champagne. Dom Perignon was a Benedictine monk here in the 17th Century and made important advancements in wine making. Did he invent sparkling wine? Well that depends on who you ask. Our scenic route crosses through Hautvillers where he lived and worked, then joins up with the Canal latéral à la Marne into lovely Châlons en Champagne. This charming town will surprise you with its medieval and Gothic churches and half-timber houses from centuries past.

Inclusions may differ depending on which tour style you pick but all ExperiencePlus! tours include the three most important aspects of a guided bike tour.

- Superb tour leaders who are fun and multilingual, bi-cultural experts, and cycling enthusiasts. They will support you and help you navigate confidently on and off the road.
- High quality bikes selected for the terrain you are cycling on and correct bike fitting to ensure comfortable cycling.
- Thoughtfully designed itineraries and routes that take advantage of stunning cycling destinations and the freedom of bicycle travel.

**PRE-TRIP SUPPORT**

- Bicycle training programs designed specifically for your tour and fitness level.
- Planning tips on what to pack, hotel recommendations and other helpful details from our Travel Planning Pages: <https://www.experienceplus.com/blog/travel-planning/>
- A gift of your choice (cycling jerseys, socks, or a t-shirt) as our way of saying thanks for choosing ExperiencePlus!
- \*Traveler services including assistance booking extra nights at the tour starting and ending hotels. (\*Explorer Tours excluded)
- See "What's Included" for tour-specific inclusions and be sure to check the "Keep in mind" section under "Tour Summary" online.

**BICYCLES**

For a full list of what's included with your bike see: <https://www.experienceplus.com/what-to-expect/our-bikes/>. If you would like to bring your own pedals and shoes we recommend doing so. On Explorer tours we include a GPS device on all bikes. We ask that you bring your own helmet to ensure the best fit. If you would like us to provide you with a gently used helmet, please contact us.

**NAVIGATING, DAYSHEETS AND VAN SUPPORT:**

Each day you'll receive a daily briefing with a highlighted route map. About 14 days prior to your tour, we will provide you with access to RideWithGPS Experiences, our platform to distribute information on each tour day's activities, meals and ride, as well as GPS-routes. Daily information also includes Tour Leader phone numbers,

hotel information and interesting historical and cultural information. On Classic, Bike and Boat and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we'll ride as a group or you can navigate on your own with the GPS tracks. On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

**Need More Miles?** On many days it is possible to add miles to the day, just talk to your tour leader about your options.

**Need Fewer Miles?** If you aren't sure about your abilities or how much you want to ride remember the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. You are on vacation and we're here to help make it perfect for you.

**TIPPING YOUR TOUR LEADER TEAM:**

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated, and gratuity amounts vary widely. Should you decide to leave a tip, as a guideline, we suggest 5% of the tour cost per traveler – this is for the entire tour leader team, not each tour leader. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know. \*Tips are included in Expedition pricing.

**PHOTOS:**

By reserving space on tour, you agree that ExperiencePlus! Bicycle Tours may use, re-use and reproduce any images, photos or videos that you send to us, or that are taken by our guides and/or other travelers of you individually or in a group, in any medium, including but not limited to print, electronic media, or Internet, free of charge and without your right to inspection, for promoting and publicizing our travel products and services worldwide. If you do not want us to use any images of you that are taken by us or other participants during the tour, you must inform us or your tour leader in writing at the start of the tour.

**LEVELS**

We know that travelers have different cycling abilities and preferences for the number of miles, elevation gain, and type of terrain they want on a bicycle tour. We have rated each day of our tours on a scale of 1-5. Our Tour Level's are an average of the day rating on tour. We recommend looking at the daily summary on the PDF and Website Itinerary to see details about each day's ride.

**LEVEL 1 - 1.5**

Level 1 - 1.5 days will be mostly flat and the distance will rarely exceed 50 km. Level 1 - 1.5 tours are suitable for beginner cyclists, those traveling by bicycle for the first time, or multi-generational groups with a desire for a nice and easy bike tour with plenty of opportunities to stop and enjoy the scenery.
