

Bicycle Tours in Italy: Cycling Puglia's White Villages Plus! the Salento

OVERVIEW

Beautifully situated on the Adriatic Coast between the spur and heel of Italy's "boot" lies Puglia. Nestled against the brilliant blue of the Mediterranean ancient Greek and Italian cultures mingle among hillside vineyards, olive groves, and whitewashed villages. Join us as we begin our bicycling journey in Matera, a world renowned UNESCO World Heritage Site, where dwellings carved into limestone caves create an enchanted and ancient stone city. We'll pedal east toward Alberobello, another UNESCO World Heritage Site, through a landscape filled with unique conical shaped dwellings known as trulli. Continue to the striking "Città Bianca" or "White City" of Ostuni before heading south to Grottaglie, famed for its ceramics, and the important coastal towns of Gallipoli and Otranto where you'll revel in impromptu stops at some of the beautiful beaches that attract visitors from all over Italy. Our final stop brings us back inland to Lecce, the baroque Florence of Southern Italy where palatial streets welcome us. Along the way you'll enjoy meals prepared with Italian, Greek, and Middle Eastern influences and discover the warmth and hospitality of Southern Italy's friendliest people.

If this sounds great but you prefer a shorter ride check out the 7-day [Cycling Puglia's White Villages](#).

Welcome to Matera

Highlights Welcome drink, bike fitting, dinner in the “Sassi” of Matera

Arrive in Matera, unique in all of Italy for the cave dwellings that ring the central city. Inhabited by refugee clerics and monks from Greece and the Balkans during the 8th and 9th centuries, the cave churches and domestic dwellings carved into the town's calcarenite or semi-sandstone cliffs at one time housed as many as 25,000 people. Today, the churches and caves are preserved as a World Heritage Site as being the “most outstanding, intact example of a cave-dwelling settlement in the Mediterranean.” Settle into our hotel and enjoy our welcome dinner after fitting bikes.

Matera

Highlights Guided walk of the Matera's “sassi”, Appian Way

We'll start the morning with a loop ride exploring Matera's surroundings. Sights along the way include the fortified Massaria Jesce, which was an ancient Roman “post office” on the Appian Way - one of the most important Roman Roads. We'll also visit the cave crypt of San Michele Arcangelo with frescoes dating to the 14th century. This afternoon features a guided walk exploring Matera's history including a typical sassi, a cave dwelling house. Fodor's has described the sassi as “one of the most unique landscapes in Europe,” on this tour we'll gain a better understanding for the living conditions of what is believed to be one of the first human settlements in Italy.

Locorotondo

Highlights Cheese tasting, trulli, vineyards

Our day begins with a shuttle to Gioia del Colle, where we'll learn more about and sample the fresh mozzarella, burrata and stracciatella for which Puglia is renowned. Once we've had our fill of cheese we'll begin our ride through olive groves and vineyards on the way to the “Valle d'Itria” which is the heart of Puglia's trulli region. Trulli are conical shaped dwellings unique to this part of Italy. Originally used as storage sheds for farmers, they quickly became popular as temporary shelters. Our destination is the small but vibrant town of Locorotondo which we'll call home for the next two nights.

Destroyed by Hannibal during the Punic Wars in 1st and 2nd Centuries BC, Ostuni was rebuilt by the Greeks and takes its name from them as "Astu néon or "new town". Rebuilt by the Normans in the 10th Century, Ostuni then flourished during the Italian Renaissance under Duchess Isabella of Bari. This is an imposing and beautiful city from afar and within.

Gallipoli

Highlights Ceramics of Grottaglie, Ionian Coast, ancient Gallipoli

It's a relaxing and pleasant ride this morning to Grottaglie, Puglia's most famous pottery town. Be sure to visit one of the many local studios and learn about their painting and firing techniques. The abundant clay in this area, has long been an economic driver for the town. During the 18th century, there were over 42 ceramic related companies in Grottaglie which employed more than 5,000 people. Once your pottery curiosity has been satisfied, we'll have lunch together in a typical Masseria before shuttling to the coastal town of Gallipoli. INCLUDED**WHAT'S INCLUDED**

When you book a tour with ExperiencePlus! our goal is to ensure your only focus each day is to hop on your bike and explore scenic cycling routes in new destinations. Inclusions may differ depending on which tour style you pick but all ExperiencePlus! tours include the three most important aspects of a guided bike tour.

- Superb tour leaders who are fun and multilingual, bi-cultural experts, and cycling enthusiasts. They will support you and help you navigate confidently on and off the road.
- High quality bikes selected for the terrain you are cycling on and correct bike fitting to ensure comfortable cycling. More details on our [bikes page](#).
- Thoughtfully designed itineraries and routes that take advantage of stunning cycling destinations and the freedom of bicycle travel.

PRE-TRIP SUPPORT

- Bicycle training programs designed specifically for your tour and fitness level.
- Planning tips on what to pack, hotel recommendations and other helpful details from our [Travel Planning Pages](#).
- A gift of your choice (cycling jerseys, socks, or a t-shirt) as our way of saying thanks for choosing ExperiencePlus!
- *Traveler services including assistance booking extra nights at the tour starting and ending hotels. (*Not included on Explorer Tours.)

ON TOUR

- See "What's Included" on your tour Itinerary for tour-specific inclusions.

BICYCLES

For a full list of what's included with your bike see [our bikes page](#). If you would like to bring your own pedals and shoes we recommend doing so. On Explorer tours we include a GPS device on all bikes. We ask that you bring your own helmet to ensure the best fit. Please ask if you would like us to provide you with a gently used helmet and we will do so.

NAVIGATING, DAYSHEETS AND VAN SUPPORT:

Each day you'll receive a daily briefing with a highlighted route map and daysheet (print or digital) that includes information on the day's activities, meals and ride. Daily information also includes Tour Leader phone numbers, hotel information and interesting historical and cultural information.

You'll receive a highlighted route map each day or a briefing with the GPS tracks. On Classic, Bike and Boat, Spotlight and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we'll ride as a group or you can navigate on your own with the GPS tracks.

Before each tour we offer the opportunity to download GPS tracks of most tour routes to your personal GPS device or smartphone using RideWithGPS.com. We do not provide GPS tracks for tours in South America.

On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

Need More Miles? On many days it is possible to add miles to the day, just talk to your tour leader about your options.

Need Fewer Miles? If you aren't sure about your abilities or how much you want to ride remember the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. You are on vacation and we're here to help make it perfect for you.

TIPPING YOUR TOUR LEADER TEAM:

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated, and gratuity amounts vary widely. Should you decide to leave a tip, as a guideline, we suggest 5% of the tour cost per traveler – this is for the entire tour leader team, not each tour leader. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know. *Tips are included in Expedition pricing.

PHOTOS:

By reserving space on tour, you agree that ExperiencePlus! may use, re-use and reproduce any images, photos or videos sent to us, or taken by our guides or travelers free of charge and without your right to inspection. If you do not want us to use any images of you on tour, you must inform your tour leader in writing at the start of the tour.

We have rated each day of our tours on a scale of 1-5. Our Tour Level's are an average of the day rating on tour. We recommend looking at the daily summary on the PDF and Website Itinerary to see details about each day's ride.

LEVEL 1 - 1.5

Level 1 - 1.5 days will be mostly flat and the distance will rarely exceed 50 km. Level 1 - 1.5 tours are suitable for beginner cyclists, those traveling by bicycle for the first time, or multi-generational groups with a desire for a nice and easy bike tour with plenty of opportunities to stop and enjoy the scenery.
