

## Bicycle Tours in Italy: Cycling Puglia's White Villages

### OVERVIEW

Beautifully situated on the Adriatic Coast between the spur and heel of Italy's "boot" lies Puglia. Nestled against the brilliant blue of the Mediterranean ancient Greek and Italian cultures mingle among hillside vineyards, olive groves, and whitewashed villages. Join us as we begin our bicycling journey in Matera, a world renowned UNESCO World Heritage Site, where dwellings carved into limestone caves create an enchanted and ancient stone city. We'll pedal east toward Alberobello, another UNESCO World Heritage Site, through a landscape filled with unique conical shaped dwellings known as trulli. Finish in the striking "Città Bianca" or "White City" of Ostuni. Along the way you'll enjoy meals prepared with Italian, Greek, and Middle Eastern influences and discover the warmth and hospitality of Southern Italy's friendliest people.

If this sounds great but you prefer a longer ride join us on the extended [Cycling Puglia's White Villages Plus the Salento](#) which extends this trip.

### ARRIVAL INFO

**Meeting time 2 p.m. - on Day 1, meet your fellow cyclists and Tour Leaders at the Day 1 Hotel specified on the itinerary.**

**Note:** As you are planning, remember that the hotels listed in our itineraries are our primary hotels and are - in rare cases - subject to change. Before you make arrangements, **check with us** if your tour departure is guaranteed. If your tour departure is out further than 6 months, please also check with us as there might be slight changes to the itinerary.

The below information will help you plan your arrival. For more tips or other routes, you might like [Rome2Rio](#). The fare and timing information listed below is approximate.

**Airports:** We suggest flying into the Bari Karol Wojtyla Airport, also called Bari Palese (BRI).

#### Getting from Bari airport to the Day 1 hotel:

1. **Puglia Air Bus** from Bari airport to Matera. Choose "Bari Aeroporto" as the departure station and "Matera, Viale A. Moro fronte & Pianeta Casa" as the arrival station (1 hour 15 min/EUR 3-6).
2. **Walk 8 minutes** or taxi\* from Matera Bus Station to the Day 1 hotel (10 min/EUR 10-15).

**Private transfers:** If you wish you can book a private transfer from the Bari airport to the Day 1 Hotel, you may book with [Autonoleggio Castellano](#) - (1 hour 15 min/fares depending on number of passengers, starting at EUR 70)

**\*Note:** There is a taxi operator on the square where the bus drops off but the office might not be attended continuously. If the walk is not an option for you, and you have a reliable arrival time, we will gladly pre-arrange a pick-up for you (around EUR 20). Do note that the taxi will need to circumvent the old town, so it won't be as direct as walking.

## Bicycle Tours in Italy: Cycling Puglia's White Villages

### Welcome to Matera

**Highlights** Welcome drink, bike fitting, dinner in the “Sassi” of Matera

Arrive in Matera, unique in all of Italy for the cave dwellings that ring the central city. Inhabited by refugee clerics and monks from Greece and the Balkans during the 8th and 9th centuries, the cave churches and domestic dwellings carved into the town's calcarenite or semi-sandstone cliffs at one time housed as many as 25,000 people. Today, the churches and caves are preserved as a World Heritage Site as being the “most outstanding, intact example of a cave-dwelling settlement in the Mediterranean.” Settle into our hotel and enjoy our welcome dinner after fitting bikes.

### Matera

**Highlights** Guided walk of the Matera's “sassi”, Appian Way

We'll start the morning with a loop ride exploring Matera's surroundings. Sights along the way include the fortified Massaria Jesce, which was an ancient Roman “post office” on the Appian Way - one of the most important Roman Roads. We'll also visit the cave crypt of San Michele Arcangelo with frescoes dating to the 14th century. This afternoon features a guided walk exploring Matera's history including a typical sassi, a cave dwelling house. Fodor's has described the sassi as “one of the most unique landscapes in Europe,” on this tour we'll gain a better understanding for the living conditions of what is believed to be one of the first human settlements in Italy.

### Locorotondo

**Highlights** Gioia del Colle, Trulli, vineyards, Locorotondo

Today we shuttle from Matera to Gioia del Colle, famous for one of Frederic II castles. Start cycling and enjoy this ride through olive groves and vineyards on the way to the “Valle d'Itria” which is the heart of Puglia's trulli region. Trulli are conical shaped dwellings unique to this part of Italy. Originally used as storage sheds for farmers, they quickly became popular as temporary shelters. Our destination is the small but vibrant town of Locorotondo which we'll call home for the next two nights. This afternoon get lost in the whitewashed maze of lanes and historic buildings towering over them.

Our hotel is located in the center of this amazing village which spans three hilltops and is crowned by a Gothic cathedral. Destroyed by Hannibal during the Punic Wars in 1st and 2nd Centuries BC, Ostuni was rebuilt by the Greeks and takes its name from them as "Astu néon or "new town". Rebuilt by the Normans in the 10th Century, Ostuni then flourished during the Italian Renaissance under Duchess Isabella of Bari. This is an imposing and beautiful city from afar and within.

Our ride continues on the Via Appia Traiana just before reaching the Adriatic Coast. Built by order of the Roman Emperor Traiano in the 2nd century A.D., the Via Traiana connected Rome to Brindisi, one of the most important ports for commerce with the Middle East. We'll parallel the coast today with a possible dip at a local beach before continuing to the medieval town of Carovigno and back to our hotel.

**INCLUDED**

**WHAT'S INCLUDED**

When you book a tour with ExperiencePlus! our goal is to ensure your only focus each day is to hop on your bike and explore scenic cycling routes in new destinations. Inclusions may differ depending on which tour style you pick but all ExperiencePlus! tours include what we believe are the most important aspects of a bike tour.

- On all our guided tours, you can expect superb tour leaders who are fun and multilingual, bi-cultural experts, and cycling enthusiasts. They will support you and help you navigate confidently on and off the road.
- High quality bikes selected for the terrain you are cycling on and correct bike fitting to ensure comfortable cycling.
- Thoughtfully designed itineraries and routes that take advantage of stunning cycling destinations and the freedom of bicycle travel. Plus, all the logistics are taken care of.

**PRE-TRIP SUPPORT**

- Bicycle training programs designed specifically for your tour and fitness level.
- Planning tips on what to pack, hotel recommendations and other helpful details from our Travel Planning Pages: <https://www.experienceplus.com/travel-planning/>
- A gift of your choice (cycling jerseys, socks, or a t-shirt) as our way of saying thanks for choosing EP!
- \*Traveler services including assistance booking extra nights at the tour starting and ending hotels. (\*Explorer and Self-guided tour styles excluded)
- See "What's Included" for tour-specific inclusions and be sure to check the "Keep in mind" section under "Tour Summary" online.

**BICYCLES**

For a full list of what's included with your bike see: <https://www.experienceplus.com/what-to-expect/our-bikes/>. If you would like to bring your own pedals and shoes we recommend doing so. On Explorer and Self-guided tours we include a GPS device on all bikes.

**NAVIGATING, DAYSHEETS AND VAN SUPPORT:**

On a guided tour, each day you'll receive a daily briefing with a highlighted route map. On a self-guided tour you'll receive a comprehensive orientation and bike fit on the first or second morning of your trip. About 14 days prior to your tour, we will provide you with access to

RideWithGPS Experiences, our platform to distribute information on each tour day's activities, meals and ride, as well as GPS-routes.

Daily information on the RWGPS Experience includes important phone numbers, hotel information and interesting historical and cultural information. On Classic, Bike and Boat and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we'll ride as a group or you can navigate on your own with the GPS tracks.

On a guided tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths. On a self-guided tour you will have luggage transfers that will transport your bags from one hotel to the other.

**Need More Miles?** On many days it is possible to add miles to the day, just talk to your tour leader about your options or ask when you are planning your self-guided trip.

**Need Fewer Miles?** On a guided tour, the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. On a self-guided tour we recommend you review the tour level to make sure you can ride the full distance.

**ON A GUIDED TOUR: TIPPING YOUR TOUR LEADERS**

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated, and gratuity amounts vary widely. Should you decide to leave a tip, as a guideline, we suggest 5-8% of the tour cost per traveler — this is for the entire tour leader team, not each tour leader. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know.

\*Tips are included in Expedition pricing and not expected on self-guided tours.

**PHOTOS:**

By reserving space on tour, you agree that ExperiencePlus! may use, re-use and reproduce any images, photos or videos sent to us, or that are taken by our guides or other travelers, in any medium, including but not limited to print, electronic media, or Internet, free of charge and without your right to inspection. If you do not want us to use any images of you, you must inform us or your tour leader in writing at the start of the tour.

**LEVELS**

We know that travelers have different cycling abilities and preferences for the number of miles, elevation gain, and type of terrain they want on a bicycle tour. We have rated each day of our tours on a scale of 1-5. Our Tour Level's are an average of the day rating on tour. We recommend looking at the daily summary on the PDF and Website Itinerary to see details about each day's ride.

**LEVEL 1 - 1.5**

Level 1 - 1.5 days will be mostly flat and the distance will rarely exceed 50 km. Level 1 - 1.5 tours are suitable for beginner cyclists, those traveling by bicycle for the first time, or multi-generational groups with a desire for a nice and easy bike tour with plenty of opportunities to stop and enjoy the scenery.

- **Average daily mileage:** 20 - 50 km. (12-30 miles) Be sure to check the day by day itinerary description for the tour you are considering for specific mileages.
- **Gain:** 0-400 M (0-1200 ft)
- **Terrain:** Mostly flat with occasional gentle climbs at a grade of less than 3%, that are sustained for a maximum of 3km. There might be a steeper but short climb.

**LEVEL 2 - 2.5**
